

AU Small Finance Bank Strengthens Cancer Care in Rajasthan with Advanced Anesthesia Workstation at BMCHRC Jaipur

₹25 lakh CSR contribution strengthens critical surgical infrastructure and supports safer cancer treatment for underserved patients

Jaipur, 17th July, 2026: AU Small Finance Bank (AU SFB), India's largest Small Finance Bank and the first SFB to receive the RBI's *in-principle* approval to transition into a Universal Bank, has, through its CSR arm **AU Foundation** under the **AU Kartavya – Healthcare** initiative, extended support to **Bhagwan Mahaveer Cancer Hospital & Research Centre (BMCHRC)**, Jaipur, one of Rajasthan's leading charitable cancer care institutions with a **GE Carestation 750 Anesthesia Workstation**.

The medical equipment advanced GE Carestation 750 Anesthesia Workstation, supported through AU Foundation's contribution, **will enhance BMCHRC's surgical infrastructure by enabling safer anaesthesia care, improving surgical efficiency and elevating perioperative care standards**. By strengthening the hospital's capacity to undertake complex cancer surgeries with greater precision and safety, the equipment is expected to contribute to better treatment outcomes, particularly for economically vulnerable patients who depend on affordable, high-quality cancer care.

Rajasthan continues to witness a growing cancer burden, with Jaipur serving as a key referral centre for patients across the state. A significant proportion of patients seeking treatment belong to rural and underserved communities, where limited awareness and delayed diagnosis often result in the disease being detected at an advanced stage.

Speaking on the occasion, Sanjay Agarwal, Founder, MD & CEO, said, "At AU Foundation, healthcare remains one of the key pillars of our community initiatives. Access to quality and timely care can significantly influence treatment outcomes, particularly in critical illnesses such as cancer. Rooted in Rajasthan, AU believes in giving back to the state by strengthening its healthcare facilities and supporting institutions that serve its people. This support to BMCHRC reflects that commitment, helping strengthen essential surgical infrastructure and enable safer, more effective treatment for patients, especially those from rural and underserved communities who rely on the hospital for affordable, quality cancer care."

On this occasion, **Maj Gen S C Pareek, (retd.) Executive Director, BMCHRC**, said. "At BMCHRC, our commitment is to ensure that every cancer patient receives world-class treatment with the highest

standards of safety and care, irrespective of their financial background. The addition of the GE Carestation 750 Anesthesia Workstation, supported by AU Foundation, is a significant step towards strengthening our surgical capabilities. Advanced anaesthesia technology plays a vital role in ensuring safer and more precise cancer surgeries, especially for high-risk and complex cases. We sincerely appreciate AU Foundation's support in enhancing our infrastructure, which will enable us to provide better clinical outcomes and continue serving thousands of patients from Rajasthan and neighbouring states with affordable, quality cancer care.”

About AU Foundation - CSR arm of AU Small Finance Bank

From its roots in Rajasthan to a growing national footprint, AU Foundation has remained committed to building resilient and self-reliant communities, an approach shaped deeply by the vision and stewardship of Sanjay Agarwal, Founder, MD & CEO of AU Small Finance Bank (AU SFB). His leadership anchors the Foundation in AU's "Forever Bank" philosophy, ensuring that community interventions create lifelong impact rather than momentary support.

As the CSR arm of AU SFB, India's largest Small Finance Bank, now holding the RBIs in principle approval to transition into a Universal Bank, the foundation operates with the conviction that a bank is not merely a participant but a co-author in Bharat's growth story. Under Sanjay Agarwal's thought leadership, AU Foundation blends financial discipline, innovation and empathy into programmes that are scalable and sustainable, aligned with the national vision of Viksit Bharat and the UN Sustainable Development Goals (SDGs).

AU Foundation continues to strengthen communities at scale, through grassroots developments, consistently translating vision into value and intent into impact. AU Foundation's impact spans a holistic portfolio of flagship and strategic initiatives: AU Ignite, which has trained 36,000+ youth and enabled 26,000+ placements; AU Bano Champion, supporting 6,000+ athletes with 1,570+ medals; AU Udyogini, empowering 5,900+ women entrepreneurs; and AU Kartavya, advancing community development across healthcare, education, environment, water conservation and road safety
